

SRS Training Requirements for Medicaid Providers

- Training requirements, as determined by SRS-DBHS, are specifically detailed by service, below. In order to meet state requirements, a provider must complete the training for each service to be delivered.
- Training requirements for some services provided to adult providers and Home-Based Family Treatment are provided for SRS by other contractors, KU and KSU.
- The provider manual containing provider updates can be found [here](#) on the KHS website.
